**Summary:**

The gang is playing D&D with too much noise. So Karen came and punished them.

## **Dirty, dirty boys**

It was a warm summer Sunday in Hawkins.

Dustin, Will, Lucas and Mike gathered at the gang's hangout, the wheeler's house.

Karen was masturbating upstairs, but she couldn't concentrate from the sound disturbance the boys were causing.

Her pussy was covered in warm moisture, and she knew she couldn't satisfy herself with the noise the boys did.

She put on her robe and walked towards the youngsters. They were screaming and yelling. They were playing one of the most exciting D&D game of their lives at the moment.

K: Boys! How many times do I have to tell you to play quieter?  
Karen had their heads turned, and they all had their eyes locked on Miss Wheeler A beautiful MILF stood in front of them in a semi-open robe

They all had a plan in their head, but none of them dared to resist Miss Wheeler.

Karen noticed that all four boys were trapped in the sight of her mommy milkers.

Sooo thats what we are working with. Karen silently said to herself.

K: Mike, haven't I told you enough not to come in the house with dirty clothes?  
You're all in dirty clothes in my house.

Besides Dustin, they all tried to cover their bulging young dicks.

1 minute of silence passed by then Karen spoke up.

K: Alright, Clothes off

M: But mooom we are in the middle of a tavern brawl.

K: I said clothes off.

Dustin stripped down to his underwear at first request, and the others slowly undressed on the second command. Only Will didn't take his shirt off.

K: Give me the clothes. You won't need them today.

They gave Karen their clothes in a row, starting with Dustin and with Will at the end. Although Will still had his shirt on.

K: Come on Will, you don't have to be shy.

And as soon as she said that, Karen grabbed Will's cock. There was only a fabric in between their skins.

Will got scared, so he took off his shirt right away.

-Good

Karen said with a relief as all of them was standing in front of her with throbbing cocks.

She was able to see the curves of their boycocks.

Karen already knew the size of Mike's cock. But the boys packed surprise's she wasn't ready for.

Will's cock was roughly the same as Mike's.

Dustin had a fat cock and Lucas was probably like 7 Inch long.

Fuck where do I start? Karen's mind was racing.

She had to start with Dustin. Everyone saw the pervert in his eyes. She took the edge of Dustin's boxer in a slow motion and pulled it down. Dustin gasped as he's fat cock jumped out in excitement and nearly hit Karen in the process

M: MOM! Are you out of your mind?!

K: Shut up. You all had your fun, its mommy's turn now

That being said Karen dropped her robe and revealed her slit.

Dustin nearly grew half-inch from the sight of the wet cunt. He loved every single bit of it including the milf bush at the top Karen had.

Mike immediately forgot all of his bad thoughts and wanted to fuck his mom

Karen started sucking Dustin's fat cock.

He was fighting for air. It was a wonderful feeling, Karen knew her job well.

Lucas in the background helped himself and was already jerking his chocolate cock.

Mike was amazed by the sight and wasn't able to move.

Will didn't even admit it to himself, but deep down, he knew he was gay.

A second later a huge surprise caught Karen. Lucas' huge dick appeared in front of her face. He couldn't stand spectating anymore.

Karen swapped cock's and started jerking Dustin's boycock. He was ready to shoot.

Karen could feel the veins swelling in Dustin's cock as he shot 6 large ropes of cum across her face.

That's when Karen realized how stupid she'd been. She noticed Will's eye light up when Dustin came.

Karen spat Lucas' dick out.

K: Mike be useful, pull your cock out and give it to Will

M: Whaaat?! No way.. moom..

K: NOW!

Will was shy but everybody could see his excitement at the moment, he was the winner, the birthday boy.

By the time Mike approached him, Will had already been on his knees.

K: Come on now cutie, play with it!

Will was shaking a little but his instinct got in the way, grabbed Mike's cock and sniffed it.

He went crazy over the smell.

Will started sucking the precum coated tip, while Karen was back at sucking the boycocks.

Mike did not want to admit it, but he enjoyed it terribly.

Karen saw Dustin' cock rising up again.

K: What are you waiting for sweetheart?

Fuck my pussy like a pedophile whore would want to.

Dustin dashed behind Karen and started fucking her pussy.

Karen was in heaven deep throating a boycock while another was fucking her pussy.

Mike pulled Will's head right at his cock.

He wasn't able to take the tease anymore.

Will sucked the cock like it wasn't his first time.

Lucas fucked Karen's throat hard. He did it as long as he could, but suddenly Karen felt the hot white liquid filling his throat. She didn't need to swallow, cause it was already down her throat.

Dustin was ready to cum the 2nd time. He couldn't hold it in cause Karen's pussy was pulsating hot on his dick.

K: Ooh fuck yes that's it darling fuck my pussy aw shit Im getting tuckered by a boycock fuck thats right

Karen groaned lewdly, humping back on his cock and squirting all over the floor as Dustin filled her womb

Lucas bent down and started licking it up

A sudden gasp came from Mike and he immediately pulled his cock

out to come all over Will's face.

Will loved the feeling of the facial and licked the salty cum ropes from his own face

Karen jumped up and forced Lucas on the ground. She sat on his face to make sure Lucas can eat all of the cum out from her pussy.

Mike moved over to her Mom and started fingering her asshole. One lead to another and he was tearing her mom's ass apart with his cock

K: Please treat your mother like a back-alley gutter whore! Don't stop pounding my ass Mikey!

Will recovered and started jerking off over Dustin

Dustin couldn't say a word. He was spent for the day.

K: Oh yes, my dear, sweet, little boy, cum in mummys ass

From those words Michael filled her Mom's asshole with his jizz and nearly fainted.

Lucas licked Karen's pussy clean and was laying on the floor gasping for air after Karen sat on him.

Will was the only one cumming from his own hands all over Dustin's curly hair. It was a huge load.

With that they were all spent and only could watch as Karen played with his own clit, squirting once again all over them.

K: Nice job boys, now take a shower while ill get new clothes.

The boys playfully ran up the stairs racing into the shower, while Karen ate the cum out from her own asshole.
